To the Shareholders of  
METRO HOLDINGS LIMITED

Dear Sir/Madam

## 1. INTRODUCTION

- 1.1 Summary.** The Directors have convened the EGM to be held on 22 July 2010 to seek the approval of Shareholders for the renewal of the Share Purchase Mandate.
- 1.2 This Circular.** The purpose of this Circular is to provide Shareholders with information relating to the proposal for the renewal of the Share Purchase Mandate, to be tabled at the EGM.

## 2. THE RENEWAL OF THE SHARE PURCHASE MANDATE

- 2.1 Background.** Shareholders had approved, *inter alia*, a Share Purchase Mandate at the 2009 EGM. The authority and limitations of the Share Purchase Mandate were set out in the 2009 Circular and the ordinary resolution in the notice of the 2009 EGM. The Share Purchase Mandate approved at the 2009 EGM was expressed to continue in force until the next Annual General Meeting of the Company and, as such, will be expiring on 22 July 2010, being the date of the forthcoming Thirty-Seventh Annual General Meeting of the Company ("**37th AGM**"). It is proposed that the Share Purchase Mandate be renewed at the EGM to be held immediately following the conclusion of the 37th AGM. This proposal will be tabled as an Ordinary Resolution for Shareholders' approval at the EGM.
- 2.2 Rationale.** The Share Purchase Mandate will give the Company the flexibility to undertake purchases or acquisitions of its Shares at any time, subject to market conditions, during the period that the Share Purchase Mandate is in force. Share purchases or acquisitions allow the Company greater flexibility over its share capital structure with a view to improving, *inter alia*, its return on equity. The Shares which are purchased or acquired may be held as treasury shares which may be used for prescribed purposes such as selling treasury shares for cash, transferring them as consideration for the acquisition of assets or transferring them pursuant to an employees' share scheme. The use of treasury shares in lieu of issuing new Shares would also mitigate the dilution impact on existing Shareholders.

It should be noted that the purchase or acquisition of Shares pursuant to the Share Purchase Mandate will only be undertaken if it can benefit the Company and Shareholders. No purchase or acquisition of Shares will be made in circumstances which would have or may have a material adverse effect on the financial position of the Company and the Group and/or affect the listing status of the Company on the SGX-ST. In addition, any purchase or acquisition of its Shares has to be made in accordance with, and in the manner prescribed by, the Companies Act, the Listing Manual and such other laws and regulations as may for the time being be applicable.

**2.3 Authority and limitations.** The authority and limitations on the purchase or acquisition of Shares by the Company under the Share Purchase Mandate are summarised below.

**(a) Maximum number of Shares**

The total number of Shares which may be purchased or acquired by the Company pursuant to the Share Purchase Mandate is limited to that number of Shares representing not more than 10% of the total number of issued Shares (excluding treasury shares) as at the date of the EGM. Under the Companies Act, any Shares which are held as treasury shares shall be disregarded for the purposes of computing the 10% limit.

Purely for illustrative purposes, on the basis of 634,346,953 issued Shares (excluding 2,469,000 Shares held as treasury shares) as at the Latest Practicable Date and assuming that (i) no new Shares are issued, whether pursuant to the exercise of Warrants or otherwise, and (ii) no further Shares are held as treasury shares, then not more than 63,434,695 Shares (representing 10% of the total number of issued Shares as at that date, excluding treasury shares) may be purchased or acquired by the Company pursuant to the Share Purchase Mandate.

**(b) Duration of authority**

Purchases or acquisitions of Shares may be made, at any time and from time to time, on and from the date of the EGM, at which the Share Purchase Mandate is approved, up to:

- (i) the date (being a date after the EGM) on which the next Annual General Meeting of the Company is held or required by law to be held; or
- (ii) the date (being a date after the EGM) on which the authority conferred by the Share Purchase Mandate is revoked or varied,

whichever is the earlier.

**(c) Manner of purchase or acquisition of Shares**

Purchases or acquisitions of Shares may be made by way of:

- (i) market purchases ("**Market Purchases**"); and/or
- (ii) off-market purchases ("**Off-Market Purchases**").

Market Purchases refer to purchases or acquisitions of Shares by the Company effected on the SGX-ST or, as the case may be, other stock exchange for the time being on which the Shares may be listed and quoted, through one or more duly licensed stockbrokers appointed by the Company for the purpose.

Off-Market Purchases refer to purchases or acquisitions of Shares by the Company made under an equal access scheme or schemes for the purchase or acquisition of Shares from Shareholders. The Directors may impose such terms and conditions which are not inconsistent with the Share Purchase Mandate, the Listing Manual and the Companies Act as they consider fit in the interests of the Company in connection with or in relation to any equal access scheme or schemes. Under the Companies Act, an Off-Market Purchase must, however, satisfy all the following conditions:

- (1) offers for the purchase or acquisition of Shares shall be made to every person who holds Shares to purchase or acquire the same percentage of their Shares;
- (2) all of those persons shall be given a reasonable opportunity to accept the offers made; and

- (3) the terms of all the offers shall be the same, except that there shall be disregarded:
  - (aa) differences in consideration attributable to the fact that offers may relate to Shares with different accrued dividend entitlements; and
  - (bb) differences in the offers introduced solely to ensure that each person is left with a whole number of Shares.

Additionally, the Listing Manual provides that, in making an Off-Market Purchase, the Company must issue an offer document to all Shareholders which must contain, *inter alia*:

- (A) the terms and conditions of the offer;
- (B) the period and procedures for acceptances;
- (C) the reasons for the proposed Share purchases;
- (D) the consequences, if any, of Share purchases by the Company that will arise under the Take-over Code or other applicable takeover rules;
- (E) whether the Share purchases, if made, would have any effect on the listing of the Shares on the SGX-ST; and
- (F) details of any Share purchases made by the Company in the previous 12 months (whether Market Purchases or Off-Market Purchases), giving the total number of Shares purchased, the purchase price per Share or the highest and lowest prices paid for the purchases, where relevant, and the total consideration paid for the purchases.

**(d) Purchase price**

The purchase price (excluding brokerage, commission, applicable goods and services tax and other related expenses) to be paid for a Share will be determined by the Directors. However, the maximum purchase price (the “**Maximum Price**”) to be paid for the Shares as determined by the Directors must not exceed:

- (i) in the case of a Market Purchase, 5% above the Average Closing Price; and
- (ii) in the case of an Off-Market Purchase, the NTAV of a Share,

in either case, excluding related expenses of the purchase or acquisition. For the above purposes:

“**Average Closing Price**” means the average of the closing market prices of the Shares over the last five Market Days on which the Shares were transacted on the SGX-ST or, as the case may be, such other stock exchange on which the Shares are listed or quoted, before the date of the Market Purchase by the Company, and deemed to be adjusted in accordance with the listing rules of the SGX-ST for any corporate action which occurs after the relevant five-day period;

“**NTAV of a Share**” means the net tangible asset value of a Share taken from the latest announced consolidated financial statements of the Company preceding the date of the making of the offer pursuant to the Off-Market Purchase; and

“**date of the making of the offer**” means the date on which the Company makes an offer for an Off-Market Purchase, stating therein the purchase price (which shall not be more than the Maximum Price for an Off-Market Purchase calculated on the foregoing basis) for each Share and the relevant terms of the equal access scheme for effecting the Off-Market Purchase.

**2.4 Status of purchased or acquired Shares.** Under current law, the Shares purchased or acquired by the Company shall be deemed cancelled immediately on purchase or acquisition, and all rights and privileges attached to those Shares will expire on cancellation, unless such Shares are held by the Company as treasury shares. The total number of issued Shares will be diminished by the number of Shares purchased or acquired by the Company which are cancelled and are not held as treasury shares.

**2.5 Treasury shares.** Under the Companies Act, the Shares purchased or acquired by the Company may be held or dealt with as treasury shares. Some of the provisions on treasury shares under the Companies Act are summarised below.

**(a) Maximum holdings**

The number of Shares held as treasury shares cannot at any time exceed 10% of the total number of issued Shares.

**(b) Voting and other rights**

The Company cannot exercise any right in respect of treasury shares. In particular, the Company cannot exercise any right to attend or vote at meetings and for the purposes of the Companies Act, the Company shall be treated as having no right to vote and the treasury shares shall be treated as having no voting rights.

In addition, no dividend may be paid, and no other distribution of the Company's assets may be made, to the Company in respect of treasury shares. However, the allotment of shares as fully paid bonus shares in respect of treasury shares is allowed. A subdivision or consolidation of any treasury share into treasury shares of a smaller amount is also allowed so long as the total value of the treasury shares after the subdivision or consolidation is the same as before.

**(c) Disposal and cancellation**

Where Shares are held as treasury shares, the Company may at any time but subject always to the Take-over Code:

- (i) sell the treasury shares for cash;
- (ii) transfer the treasury shares for the purposes of or pursuant to an employees' share scheme;
- (iii) transfer the treasury shares as consideration for the acquisition of shares in or assets of another company or assets of a person;
- (iv) cancel the treasury shares; or
- (v) sell, transfer or otherwise use the treasury shares for such other purposes as may be prescribed by the Minister for Finance.

Under the Listing Manual, immediate announcement must be made of any sale, transfer, cancellation and/or use of treasury shares (in each case, the "**usage**"). Such announcement must include details such as the date of the usage, the purpose of the usage, the number of treasury shares of the usage, the number of treasury shares before and after the usage, and the percentage of the number of treasury shares of the usage against the total number of issued shares (of the same class as the treasury shares) which are listed on the SGX-ST before and after the usage.

**2.6 Source of funds.** In purchasing or acquiring Shares pursuant to the Share Purchase Mandate, the Company may only apply funds legally available for such purchase or acquisition in accordance with the Articles and applicable laws. Under the Companies Act, any payment made by the Company in consideration of the purchase or acquisition of its Shares may be made out of the Company's capital and/or profits. The Company intends to use internal sources of funds, external borrowings, or a combination of internal resources and external borrowings, to finance purchases or acquisitions of its Shares. The Directors do not propose to exercise the Share Purchase Mandate to such extent that it would materially affect the working capital requirements, financial flexibility or investment ability of the Group.

**2.7 Financial effects.** The financial effects on the Group and the Company arising from purchases or acquisitions of Shares which may be made pursuant to the Share Purchase Mandate will depend on, *inter alia*, whether the Shares are purchased or acquired out of capital and/or profits of the Company, the aggregate number of Shares purchased or acquired, and the consideration paid at the relevant time. The financial effects on the Group and the Company based on the audited financial statements of the Group and the Company for the financial year ended 31 March 2010 are based on the assumptions set out below.

**(a) Purchase or acquisition out of capital and/or profits**

Under the Companies Act, purchases or acquisitions of Shares by the Company may be made out of the Company's capital and/or profits so long as the Company is solvent.

Where the consideration paid by the Company for the purchase or acquisition of Shares is made out of profits, such consideration (excluding brokerage, commission, applicable goods and services tax and other related expenses) will correspondingly reduce the amount available for the distribution of cash dividends by the Company.

Where the consideration paid by the Company for the purchase or acquisition of Shares is made out of capital, the amount available for the distribution of cash dividends by the Company will not be reduced.

**(b) Maximum Price paid for Shares acquired or purchased**

Based on 634,346,953 issued Shares (excluding treasury shares) as at the Latest Practicable Date, the purchase by the Company of 10% of such issued Shares will result in the purchase or acquisition of 63,434,695 Shares.

Assuming that the Company purchases or acquires the 63,434,695 Shares at the Maximum Price on the Latest Practicable Date, the maximum amount of funds required is approximately:

- (i) in the case of Market Purchases of Shares, \$49,954,822 based on \$0.7875 for each Share (being the price equivalent to 5% above the Average Closing Price of the Shares traded on the SGX-ST over the last five Market Days preceding the Latest Practicable Date); and
- (ii) in the case of Off-Market Purchases of Shares, \$99,084,994 based on \$1.562 for each Share (being the price equivalent to the NTAV of a Share taken from the unaudited financial results of the Company and Group for the financial year ended 31 March 2010 released by the Company on 24 May 2010, being the latest announced consolidated financial statements of the Company preceding the Latest Practicable Date).

For illustrative purposes only, on the basis of the assumptions set out above as well as the following:

- (1) the Share Purchase Mandate had been effective on 1 April 2009;
- (2) the purchase of Shares took place at the beginning of the financial year on 1 April 2009;
- (3) there was no issuance of Shares, whether pursuant to the exercise of Warrants or otherwise, after the Latest Practicable Date; and
- (4) the Share purchases were funded entirely by internal resources,

the financial effects on the audited financial statements of the Group and the Company for the financial year ended 31 March 2010 would have been as follows:

(2) NTA equals to Total Equity less Minority Interest.

(4) Gearing is defined as Borrowings (net of cash) divided by Equity Attributable to Equity Holders of the Company.

(5) Current Ratio equals Current Assets divided by Current Liabilities.

(6) EPS is based on 634,346,953 Shares.

**SHAREHOLDERS SHOULD NOTE THAT THE FOREGOING FINANCIAL EFFECTS ARE BASED ON THE AUDITED FINANCIAL STATEMENTS OF THE GROUP AND THE COMPANY FOR THE FINANCIAL YEAR ENDED 31 MARCH 2010 AND ARE FOR ILLUSTRATION ONLY. THE RESULTS OF THE GROUP AND THE COMPANY FOR THE FINANCIAL YEAR ENDED 31 MARCH 2010 MAY NOT BE REPRESENTATIVE OF FUTURE PERFORMANCE.**

It should be noted that although the Share Purchase Mandate would authorise the Company to purchase or acquire up to 10% of the total number of issued Shares (excluding treasury shares), the Company may not necessarily purchase or acquire or be able to purchase or acquire the entire 10%. In addition, the Company may cancel or hold in treasury all or part of the Shares purchased or acquired. The Company will take into account both financial and non-financial factors (for example, stock market conditions and the performance of the Shares) in assessing the relative impact of a share purchase before execution.

- 2.8 Taxation.** Shareholders who are in doubt as to their respective tax positions or any tax implications, or who may be subject to tax in a jurisdiction outside Singapore, should consult their own professional advisers.
- 2.9 Listing status of the Shares.** The Listing Manual requires a listed company to ensure that at least 10% of the total number of its issued shares (excluding treasury shares, preference shares and convertible equity securities) in a class that is listed is held by public shareholders at all times.

As at the Latest Practicable Date, approximately 49.69% of the total number of issued Shares are held by public shareholders. Accordingly, the Company is of the view that there is a sufficient number of the Shares in issue held by public shareholders which would permit the Company to undertake purchases or acquisitions of its Shares through Market Purchases up to the full 10% limit pursuant to the Share Purchase Mandate without affecting the listing status of the Shares on the SGX-ST. The Company will consider investor interests when maintaining a liquid market in its securities, and will ensure that there is a sufficient float for an orderly market in its securities when purchasing its Shares.

- 2.10 Listing rules.** The Listing Manual restricts a listed company from purchasing shares by way of market purchases at a price per share which is more than 5% above the “average closing price”, being the average of the closing market prices of the shares over the last five Market Days on which transactions in the shares were recorded, before the day on which the purchases were made, as deemed to be adjusted for any corporate action that occurs after the relevant five-day period. The Maximum Price for a Share in relation to Market Purchases referred to in Paragraph 2.3 above complies with this requirement. Although the Listing Manual does not prescribe a maximum price in relation to purchases of shares by way of off-market purchases, the Company has set a cap of the consolidated net asset value of a Share as the Maximum Price for a Share to be purchased or acquired by way of an Off-Market Purchase.

While the Listing Manual does not expressly prohibit any purchase or acquisition of shares by a listed company during any particular time or times, because the listed company would be regarded as an “insider” in relation to any proposed purchase or acquisition of its issued shares, the Company will not undertake any purchase or acquisition of Shares pursuant to the Share Purchase Mandate at any time after any matter or development of a price sensitive nature has occurred or has been the subject of consideration and/or a decision of the Board until such price sensitive information has been publicly announced. In particular, in line with the Company’s internal guide on securities dealings, the Company will not purchase or acquire any Shares through Market Purchases during the two weeks immediately preceding, and up to the time of the announcement of, the Company’s results for each of the first three quarters of its financial year and during the one month preceding, and up to the time of announcement of, the Company’s results for the full financial year.

- 2.11 Reporting requirements.** The Listing Manual specifies that a listed company shall report all purchases or acquisitions of its shares to the SGX-ST not later than 9.00 a.m. (a) in the case of a market purchase, on the Market Day following the day of purchase or acquisition of any of its shares, and (b) in the case of an off-market purchase under an equal access scheme, on the second Market Day after the close of acceptances of the offer. Such announcement (which must be in the form prescribed by the Listing Manual) must include details of the date of the purchase, the total number of shares purchased, the purchase price per share or the highest and lowest prices paid for such shares, as applicable, and the total consideration (including stamp duties and clearing charges) paid or payable for the shares.

**2.12 Take-over implications.** Appendix 2 of the Take-over Code contains the Share Buy-Back Guidance Note. The take-over implications arising from any purchase or acquisition by the Company of its Shares are set out below.

**(a) Obligation to make a take-over offer**

If, as a result of any purchase or acquisition by the Company of its Shares, the proportionate interest in the voting capital of the Company of a Shareholder and persons acting in concert with him increases, such increase will be treated as an acquisition for the purposes of Rule 14 of the Take-over Code. Consequently, a Shareholder or a group of Shareholders acting in concert with a Director could obtain or consolidate effective control of the Company and become obliged to make an offer under Rule 14 of the Take-over Code.

**(b) Persons acting in concert**

Under the Take-over Code, persons acting in concert comprise individuals or companies who, pursuant to an agreement or understanding (whether formal or informal), co-operate, through the acquisition by any of them of shares in a company to obtain or consolidate effective control of that company.

Unless the contrary is established, the Take-over Code presumes, *inter alia*, the following individuals and companies to be persons acting in concert with each other:

- (i) the following companies:
  - (a) a company;
  - (b) the parent company of (a);
  - (c) the subsidiaries of (a);
  - (d) the fellow subsidiaries of (a);
  - (e) the associated companies of any of (a), (b), (c) or (d); and
  - (f) companies whose associated companies include any of (a), (b), (c), (d) or (e);
  - (g) any person who has provided financial assistance (other than a bank in the ordinary course of business) to any of the foregoing companies for the purchase of voting rights; and
- (ii) a company with any of its directors (together with their close relatives, related trusts as well as companies controlled by any of the directors, their close relatives and related trusts).

The circumstances under which Shareholders, including Directors and persons acting in concert with them respectively, will incur an obligation to make a take-over offer under Rule 14 of the Take-over Code after a purchase or acquisition of Shares by the Company are set out in Appendix 2 of the Take-over Code.

**(c) Effect of Rule 14 and Appendix 2**

In general terms, the effect of Rule 14 and Appendix 2 of the Take-over Code is that, unless exempted, Directors and persons acting in concert with them will incur an obligation to make a take-over offer under Rule 14 if, as a result of the Company purchasing or acquiring Shares, the voting rights of such Directors and their concert parties would increase to 30% or more, or in the event that such Directors and their concert parties hold between 30% and 50% of the Company's voting rights, if the voting rights of such Directors and their concert parties would increase by more than 1% in any period of six months. In calculating the percentages of voting rights of such Directors and their concert parties, treasury shares shall be excluded.

Under Appendix 2 of the Take-over Code, a Shareholder not acting in concert with the Directors will not be required to make a take-over offer under Rule 14 if, as a result of the Company purchasing or acquiring its Shares, the voting rights of such Shareholder would increase to 30% or more, or, if such Shareholder holds between 30% and 50% of the Company's voting rights, the voting rights of such Shareholder would increase by more than 1% in any period of six months. Such Shareholder need not abstain from voting in respect of the resolution authorising the Share Purchase Mandate.

**SHAREHOLDERS WHO ARE IN DOUBT AS TO THEIR OBLIGATIONS, IF ANY, TO MAKE A MANDATORY TAKE-OVER OFFER UNDER THE TAKE-OVER CODE AS A RESULT OF ANY PURCHASE OR ACQUISITION OF SHARES BY THE COMPANY SHOULD CONSULT THE SIC AND/OR THEIR PROFESSIONAL ADVISERS AT THE EARLIEST OPPORTUNITY.**

**(d) SIC rulings applicable to the Company**

As at the Latest Practicable Date, Mr Jopie Ong Hie Koan, the Group Managing Director of the Company ("**Mr Jopie Ong**") and his close relatives (the "**Ong Family**"), including companies that he and/or they control (the "**Ong Companies**"), have an aggregate interest (direct and deemed) in 261,748,554 Shares, representing approximately 41.26% of the total number of issued Shares (excluding treasury shares) in the capital of MHL. The shareholding interests of Mr Jopie Ong and the Ong Family in issued Shares are set out in the Appendix to this Circular.

The Ong Companies comprise Eng Kuan Company Private Limited ("**Eng Kuan**"), Dynamic Holdings Pte Ltd ("**Dynamic**") and Leroy Singapore Pte Ltd ("**Leroy**"). As at the Latest Practicable Date, (i) Mr Jopie Ong and Mr Daniel Ong Jen Yaw (brother of Mr Jopie Ong) are the only directors and shareholders of Eng Kuan, (ii) Mr Jopie Ong is one of two directors of Dynamic (the other director being a senior executive of MHL who does not have any interest in Shares), and the shareholders of Dynamic are Mr Jopie Ong and his four children, namely, Ms Ong Ling Ling, Mr Jenn Ong, Ms Ong Ching Ping and Mr Ong Sek Hian, and (iii) Mr Jopie Ong is the sole director and sole shareholder of Leroy. The shareholdings of the Ong Companies in issued Shares are set out in the Appendix to this Circular.

Under the Take-over Code, the Ong Family and the Ong Companies (collectively, the "**Concert Parties**") are presumed to be acting in concert with Mr Jopie Ong. In the event that the Company should, pursuant to the Share Purchase Mandate, purchase or acquire up to 10% of its issued Shares ("**Full Buy-back**"), Mr Jopie Ong and his Concert Parties' aggregate shareholding interest of MHL of approximately 41.26% could increase by more than 1% in any period of six months. Under the Take-over Code, Mr Jopie Ong and his Concert Parties would incur a mandatory take-over obligation for the issued Shares.

Mr Jopie Ong has obtained the following rulings from the SIC:

- (i) Mr Jopie Ong and his Concert Parties are exempted from the requirement to make a general offer for MHL following an increase in Mr Jopie Ong and his Concert Parties' aggregate percentage of total voting rights in the Company by more than 1% in any period of six months as a result of the Company purchasing its Shares under the Share Purchase Mandate, subject to the following conditions:
  - (a) the circular to Shareholders seeking their approval for the Share Purchase Mandate will contain advice to the effect that by voting in favour of the resolution to approve the renewal of the Share Purchase Mandate (the "**Buy-back Resolution**"), Shareholders are waiving their right to a general offer at the required price from Mr Jopie Ong and his Concert Parties;

- (b) the aforesaid circular discloses the names and voting rights of Mr Jopie Ong and his Concert Parties (i) as of the time of the Buy-back Resolution, and (ii) after a Full Buy-back;
- (c) the Buy-back Resolution is approved by a majority of the Shareholders who are present and voting at the EGM on a poll who could not become obliged to make a general offer for MHL as a result of the buy-back of Shares by MHL pursuant to the Share Purchase Mandate;
- (d) Mr Jopie Ong and his Concert Parties will abstain from (i) voting on the Buy-back Resolution, and (ii) recommending Shareholders to vote in favour of the Buy-back Resolution; and
- (e) Mr Jopie Ong and his Concert Parties have not acquired and will not acquire any Shares between the date on which they know that the announcement of the proposal for the Share Purchase Mandate is imminent and the earlier of:
  - (i) the date on which the authority for the renewed Share Purchase Mandate expires; and
  - (ii) the date on which MHL announces that it has (aa) bought back such number of Shares as authorised by the renewed Share Purchase Mandate, or (bb) decided to cease buying back the Shares, as the case may be,

if any such acquisitions, taken together with the Share buy-back, would cause the aggregate voting rights in the Company of Mr Jopie Ong and his Concert Parties to increase by more than 1% in the preceding six months.

- (ii) If the Company ceases to buy-back Shares pursuant to the Share Purchase Mandate and the increase in the aggregate voting rights held by Mr Jopie Ong and his Concert Parties is less than 1%, Mr Jopie Ong and his Concert Parties may acquire further voting rights in the Company. However, any increase in their percentage voting rights as a result of the buy-back of Shares pursuant to the Share Purchase Mandate will be taken into account together with any voting rights acquired by Mr Jopie Ong and his Concert Parties (by whatever means) in determining whether they have increased their voting rights by more than 1% in any six-month period.

**(e) Advice to Shareholders**

Shareholders are advised that by voting in favour of the Ordinary Resolution relating to the renewal of the Share Purchase Mandate, they will be waiving their rights to a take-over offer at the required price from Mr Jopie Ong and his Concert Parties who, as a result of the purchase or acquisition of Shares by the Company pursuant to the Share Purchase Mandate, would increase their collective interest in the Shares by more than 1% in any period of six months.

**(f) Voting rights of Mr Jopie Ong and his Concert Parties before and after share purchase**

Based on the direct holdings of Shares of the Relevant Directors and their Concert Parties as at the Latest Practicable Date, and assuming that:

- (i) there is no change in the direct holdings of Shares between the Latest Practicable Date and the date of the EGM;
- (ii) no new Shares are issued to Mr Jopie Ong and/or his Concert Parties by the Company following the approval being received from Shareholders at the EGM for the renewal of the Share Purchase Mandate; and

- (iii) Mr Jopie Ong and his Concert Parties do not sell or otherwise dispose of their holding of Shares,

the aggregate interest (direct and deemed) of Mr Jopie Ong and his Concert Parties in Shares as at the date of the EGM and after the purchase by the Company of 10% of its issued Shares (excluding treasury shares) pursuant to the Share Purchase Mandate are as follows:

3. The Company intends to use internal sources of funds, external borrowings, or a combination of internal resources and external borrowings, to finance purchases or acquisitions of its Shares. The amount of financing required for the Company to purchase or acquire its Shares, and the impact on the Company’s financial position, cannot be ascertained as at the date of this Notice as these will depend on, *inter alia*, whether the Shares are purchased or acquired out of capital and/or profits of the Company, the aggregate number of Shares purchased or acquired, and the consideration paid at the relevant time. For illustrative purposes only, the financial effects of an assumed purchase or acquisition by the Company of 10% of its issued Shares (excluding treasury shares) as at 11 June 2010, at a purchase price equivalent to the Maximum Price per Share, in the case of a market purchase and an off-market purchase respectively, based on the audited financial statements of the Group and the Company for the financial year ended 31 March 2010 and certain assumptions, are set out in Paragraph 2.7 of the Company’s Circular to Shareholders dated 7 July 2010.
