### **Annual General Meeting 22 July 2022 CEO Address**

Dear Shareholders,

We hope you enjoyed our AGM video. It provides an overview of Metro's current projects and financials. It also captures Metro's key milestones over the past 65 years - from a single department store in 1957 to where we are today, with a global presence in 5 key countries – Singapore, China, Indonesia, United Kingdom and Australia.

Financial Year 2022 remains challenging and volatile – with the continuation and evolving COVID-19 pandemic, geopolitical tensions and the associated risks brought about by the Russia-Ukraine war. These disrupt the global supply chains with rising inflation and increasing interest costs, thus affecting the business environment. On the other hand, the gradual opening of borders and lifting of travel restrictions in many countries provide some optimism.

During the year, we continued to invest for resilience across our key markets.

In Australia, we stepped up our equity stake from 20% to 30% in both our joint venture entity and the asset management company, Sim Lian-Metro Capital Pte Ltd. The joint venture also acquired Cherrybrook Village Shopping Centre in New South Wales, making it our 16<sup>th</sup> property in Australia, with a total asset size of about S\$1.1 billion.

In Singapore, the Boustead Industrial Fund, which we own 26%, acquired a high spec industrial property at 351 Braddell Road, making it the 15<sup>th</sup> property with a total asset size of about S\$690 million. We also made a 7.65% cornerstone investment in Daiwa House Logistics Trust initial public offering in Singapore, and signed a Memorandum of Understanding with Tokyo listed Daiwa House Industry Co., Ltd to explore collaboration.

In Indonesia, we engaged The Ascott Limited to manage about 200 units in our residential project Trans Park Bekasi, Jakarta under their M+ serviced residences.

Subsequent to Financial Year 2022, Metro invested S\$6 million for a 10% stake in DocMed, which was wholly owned by SGX-listed Hyphens Pharma. DocMed is an operating business in digital integrated healthcare platform in the region, where we have presence and/or business network for synergies.

In the United Kingdom, Metro's 30% owned UK Purpose Built Student Accommodation Trust completed acquisition of four properties in Exeter, Durham, Glasgow and Kingston, bringing our total portfolio to six properties valued about S\$225 million.

**Appendix A**  
**(continued)**

Overall Singapore retail environment remains challenging and we expect current macro trends and uncertainties continue to weigh on our two department stores at Paragon and Causeway Point, Woodlands.

Financial Year 2022 has been difficult. Amidst the evolving COVID-19 pandemic and uncertainties, we continue to take proactive measures to actively manage our current portfolio and diversify our business for resilience.

The Year 2022 is also special for Metro – it marks our 65<sup>th</sup> anniversary. To reward our shareholders for your support over the years, the Board of Directors has recommended a First and Final dividend of 2 cents per ordinary share and a special dividend of 1 cent per ordinary share, representing a dividend payout ratio close to 105%.

To all our loyal shareholders, we will continue to work hard for Metro to grow stronger, reach further and scale higher. Thank you.
